## LIFE PATH

If ever there was a moment of total transformation, it was the moment of your birth. In that instant, you stepped through a door in time into a new reality -- the reality of human life. The most important number in your numerology chart is based on the date of your birth, the moment when the curtain goes up in your life.

Even at that moment, you were a person with your own unique character, as unique as your DNA. Everything that is you existed in potential, much like a play that is about to begin. Your entire life exists as a potential that has been prepared for. Herman, you have ultimate freedom to do with your life as you like: To fulfill its potential completely, or to make some smaller version of yourself. It all depends upon your effort and commitment. You make the decisions to fulfill, to whatever extent, the potential life that exists within you. That is your choice. In this sense, the possible you is implicit during the moment of your birth.

The Life Path number gives us a broad outline of the opportunities, challenges, and lessons we will encounter in this lifetime. Your Life path is the road you are traveling. It reveals the opportunities and challenges you will face in life. Your Life Path number is the single most important information available in your Personality Chart!

## *Your Life Path is 8*

Herman, you are gifted with natural leadership and the capacity to accumulate great wealth. You have great talent for management in all areas of life, especially in business and financial matters. You understand the material world; you intuitively know what makes virtually any enterprise work. Your talent lies not with the bookkeeping or petty management, but with the greater vision, its purpose, and long range goals.

You are a visionary and a bit reckless. You possess the ability to inspire people to join you in your quest, but often they are incapable of seeing what you see. Therefore, those around you need your continual guidance, inspiration, and encouragement. You must prod them into action and direct them along the lines of your vision.

You attract financial success more than any other Life Path, but effort is required.

Herman, your challenge in life is to achieve a high degree of detachment, to understand that power and influence must be used for the benefit of mankind. Those born with the Number 8 Life Path, who do not understand the real and relative value of money are bound to suffer the consequences of greed; they run the risk of losing it all!

You must learn to bounce back from failures and defeats. You have the character and resilience of a true survivor. It is not uncommon for a person with your Life Path to experience major reverses, including bankruptcies, financial failure, but you also have the talent and the sheer guts to make more than one fortune, and build many successful enterprises. More than most people, your failures in marriage can be extremely expensive for you.

Despite the difficulties that life presents, you will experience the satisfaction that comes from material wealth and the power that comes with it.

Business, finance, real estate, law, science (particularly history, archeology, and physics), publishing, and the management of large institutions are among the vocational fields that suit you best. You are naturally attracted to positions of influence and leadership -- Politics, social work, and teaching are among the many other areas where your abilities can shine.

You are a good judge of character, which aids you well in attracting the right people to you.

Most 8s like large families and sometimes tend to keep others dependent longer than necessary. Although jovial in nature you are not demonstrative in showing your love and affection.

The desire for luxury and comfort is especially strong in you. Status is very important. You must be careful to avoid living above your means.

Herman, your Life Path treads that dangerous ground where power lies -- and can corrupt. You may become too self important, arrogant, and domineering, thinking that your way is the only way. This leads inevitably to isolation and conflict. The people you run the risk of hurting most are those you love, your family and friends.

Be careful of becoming stubborn, intolerant, overbearing, and impatient. These characteristics may be born early in the life of an 8 Life Path, who often learn these negative traits after suffering under a tyrannical parent or a family burdened by repressive religious or intellectual dogmas.

Those with the 8 Life Path usually possess a strong physique, which is a symptom of their inherent strength and resiliency.

## EXPRESSION

Your Expression number reveals your physical and mental constitution, the orientation or goal of your life. Some numerologists refer to this number as the Destiny, because it represents a lifelong target at which you are aiming. You work at fulfilling this potential every day of your life. Thus, the Expression number reveals your inner goal, the person you aim to be.

The Expression number reveals the talents, abilities, and shortcomings that were with you when you entered your human body. Your name, and the numbers derived from it, reveals your development, as well as the talents and issues you will be working with during this life.

For those for whom reincarnation is an accepted philosophy, the vibration of your full name can be seen as the totality of your personal evolution, the experiences, talents, and wisdom accumulated over many life times. Every experience, no matter how great or small, along this evolutionary path has influenced your development, and brought you to your current state of being.

The Expression is your being; the Life Path is the major lesson you are attempting to learn this time around. Time allows the gradual emergence of your personality. By reading the Expression number below, you will come to understand your basic nature and the abilities and issues inherent in your being.

### *Your Expression is 14/5*

Herman, you are a free spirit. You love change, adventure, and excitement. You love your freedom. Like a bird that needs its wings to live, you cannot exist without it. Freedom is the nucleus around which your life revolves. You need it for your very survival. By using freedom properly, you are able to explore and develop all of your varied talents. You will meet many types of people and travel great distances. Freedom is the atmosphere necessary for you to bring forth your many talents.

You are capable of doing almost anything, and probably quite well. Only by avoiding the imprisonment of illusory security are you able to bring forth your abilities.

Herman, you are unusually adaptable. In fact, change is a blessing for you. In the same way, you need challenge and variety. You hate the routine of life; being stuck is a catastrophe for you. You become miserable when you are held back or held down.

The taste and texture and color of life have an overpowering allure for you. From childhood, you dream of seeing foreign lands, experiencing the sensual and the exotic. You want to try everything at least once in life. All of life is a playground for your senses.

But this can get you into trouble. You may fail to respect your natural limits, either biologically or socially. Any sort of boundary is anathema to you, which can blind you to your natural limits, and may cause you to overindulge your desire for food, sweets, alcohol, sex, and drugs.

Herman, you are gifted in your ability to communicate. Your facility with words is almost limitless. You can be a salesman, politician, lawyer, public relations person, and minister. You also possess the talent to share and advance new ideas. You are talented with your hands. You love the new and untried. Your field is the frontier. You are a bit of a gambler, and often play for very high stakes. All of this combines to give you a youthful enthusiasm, which others find infectious and attractive.

You like to work with others, but need to perform your task un-encumbered by the restraints of others.

Herman, you are a clever and a quick thinker, but your thought processes -- like your life in general -- can be unorganized and scattered. You must stay grounded and focused if you want to be successful.

You fall in and out of love frequently, especially early in life. You are naturally sensual and commonly have a strong sex drive. These characteristics usually make for a lively and exciting love life, but you must guard against shallow feelings and relationships. Your challenge is to develop mature and lasting relationships.

Self-discipline and setting healthy limits is the key to your success in virtually every area of your life. Ironically, you will find that as you learn to set appropriate limits on yourself, you will develop more self-mastery and realize even greater freedom.

This is especially true when it comes to finishing what you start. Your tendency is to give up once you've got a project or job under control; you grow bored quickly. You start to fantasize about a new challenge, or the rewards of your great accomplishment, long before the work is finished.

The 5 Expression desires the whole world. You are aware that you have many talents that can bring much success. But that success depends on your willingness to choose certain areas to concentrate on, and to bring them to perfection.

## **HEART'S DESIRE**

Your Heart's Desire is the inner you. It shows your underlying urge, your true motivation. It reveals the general intention behind many of your actions. Consequently, it dramatically influences the choices you make in life. The Heart's desire is seen as part of the larger picture, called the core numbers, which includes the Life Path, Expression, Day you were born, and Personality. But each points to a different aspect of you.

The Expression number reveals your talents and abilities, and your general direction in life. The Life Path is the central lesson you came into the world to learn. The Day you were born is very closely connected to your Life Path. It reveals specific talents you possess, which will be helpful to you in dealing with your Life Path. The Personality reveals how people tend to see you. It also demonstrates what characteristics you are projecting to the world. The Heart's Desire demonstrates the identity of the soul that joined the earth -- you, the spiritual being.

### ***Your Heart's Desire is 7***

Herman, you love knowledge, study, and insight. You value the gifts of your mind, which you use to great advantage to penetrate the mysteries of life. You study things in-depth. You search beneath the surface of things. You abhor shallow judgments or opinions.

You have a natural gift for analysis and research. Once you have grasped the facts of a subject, your creativity and abstract approach lifts your thinking beyond the rudimentary to the philosophical. You have a theoretical mind, but rather than indulge in fantasies or idle thought, you prefer to base your theories upon scientific facts.

Herman, you enjoy mental and physical puzzles -- figuring them out, taking them apart, and putting them back together.

Some people may perceive you as cool or aloof. You are somewhat introverted; you may feel slightly removed and even a little different. The fantasy of the hermit or monk engaged in a life of study and meditation appeals to you.

In relationships, you tend to keep things business-like and impersonal. You prefer to talk about the facts of a given situation, rather than the cloudier issues of emotions and personal feelings. You distrust feelings -- both your own and those of others. The whole emotional realm strikes you as unreliable, and a bit unnecessary.

Herman, your inability to fully understand the emotional aspect of life is your Achilles heel. You are so rational that the unpredictability of the heart frightens and surprises you.

Your challenge is to trust. You need to share your heart with someone. This is a courageous step for you, but will result in enormous growth and satisfaction.

The advice here is to make a true connection with another human being. Without it, you may marry out of convenience or to fulfill social expectations, but it will not lead you out of loneliness. The more removed you are from people, the more you risk isolation, bitterness, and a cynical attitude toward life.

This choice represents a true crossroads in your development. By sharing yourself with others (without compromising your independence and need for privacy) you can cultivate your enormous charm and share your understanding of life. You are a natural teacher and advisor. And the wealth of knowledge you will accumulate in life is meant to be shared with others.

This is not to say that you must compromise on your need for privacy or time spent alone to contemplate life. These are natural aspects of your personality, which are essential to your growth. These characteristics should not be threatening to your spouse, but must be understood as fundamental to your being.

Herman, you are blessed with a great reserve of intuition, which can be cultivated by regular meditation and contemplation. Your "inner voice" is your greatest guide and friend.

You are idealistic and have high expectations for yourself. Learn to balance your serious nature with regular doses of fun.

Your intelligence and cultivation make you charming and distinguished in appearance. As you get older and more comfortable with your identity, people are naturally attracted to you. They see your wisdom, your deep understanding of life, and the refinement you radiate.
